

## JUDGES CRITIQUE

I would like to thank the Committee of the Northern Club for the invitation to Judge, and for the engraved glass bowl as a memento of the day. Thanks to the exhibitors for such a super entry, we were blessed with a glorious sunny warm day, and it was great that the venue enabled us to hold the show outside and bask in the spring sunshine.

Overall presentation, temperament and bites, were very good, and I was very pleased with my main winners, but there were a lot of very overweight dogs, not desirable in a working breed.
